## **How do we spread the funding:**

We can claim 1140 hours per year for 30 hours per week funding.

We only offer this over a full year basis, spread across 52 weeks per year.

Each month you will be provided with 95 hours of discount at the nurseries private rate  
(£11.20 per hour).

## **What does the consumables charge cover:**

Funding does not cover meals – there is a £0.50p per hour (£47.50 per month) on top of funded hours.

This is a opt in or out option, however the only alternative is to collect your child for lunch meal at 11:15am  
and drop them back by 12pm, then again for teatime at 4pm.

You are allowed to pack plain yoghurt and fruit for breakfast and snack time.

We do not allow any other food into the building due to allergens.

Please talk to a management about the opt-out options.
