The page is framed by a decorative border of stylized leaves in various shades of green and grey, arranged in a circular pattern around the text.

How do we spread the funding:

We can claim 570 hours per year for 15 hours per week funding.

We only offer this over a full year basis, spread across 52 weeks per year.

Each month you will be provided with 47.5 hours of discount at the nurseries private rate
(£11.20 / £11.70 per hour).

What does the consumables charge cover:

Funding does not cover meals – there is a £0.50p per hour (£47.50 per month) on top of funded hours.

This is a opt in or out option, however the only alternative is to collect your child for lunch meal at 11:15am and drop them back by 12pm, then again for teatime at 4pm (and back for 4:30pm).

You are allowed to pack plain yoghurt and fruit for breakfast and snack time.

We do not allow any other food into the building due to allergens.

Please talk to a management about the opt-out options.
